

Traffic in Hatch Beauchamp on 31st August 2025

If this year's Classic, Sports and Interesting Vehicles Meeting is well attended there may be significant traffic on local roads.

Vehicles attending the meeting will be directed via red arrows. →

Cars with walk-in visitors will be directed to car parking in the field near the sewage works via blue arrows. →

There may be more vehicles on village roads than usual. Our aim is to inconvenience residents as little as possible by keeping traffic disruption through the village to a minimum.

Thank you in advance for your support.
